**General Dentist from Faculty of Dentistry Shahid Beheshti University of Medical Sciences and Health Services**

**First rank in entrance exam of specialty dentistry in cosmetic and restorative field Restorative Dentistry PhD Tehran University of Medical Sciences**

**Assistant Professor of Cosmetic and Restorative Department of Faculty of Dentistry Shahid Beheshti University**

**Advisor Professor of students in Faculty of Dentistry Shahid Beheshti University**

**Selected as the premium professor in the 9th Shahid Motahari Training Festival Having 6 titles of inventions (dental materials)**

**Presenting more than 200 lectures in dental seminars and congresses**

**Authoring 14 Titles of books about Restorative and cosmetic dentistry educational**

# Curriculum Vitae

## Particulars

Name: Kasra Tabari

Address: Cosmetic and Restorative Department, Faculty of Dentistry, Shahid Beheshti University, Tehran, Iran

Email: kasratabari54@gmail.com

Medical Council No.: 78896

## Educational records

- General Dentist from Faculty of Dentistry, Shahid Beheshti University of Medical Sciences and Health Services
- First rank in the educational year 1997-98 between students of Faculty of Dentistry, Shahid Beheshti University
- Dentistry graduation diploma, Mar. 06, 1999, GPA=20, Thesis title: Comparison of treatment plans in restorative department of Faculty of Dentistry of Shahid Beheshti University, 1997-98
- First rank in entrance exam of specialty dentistry in cosmetic and restorative field
- Obtaining specialty diploma from Faculty of Dentistry, Tehran University of Medical Sciences, 2003, GPA=19.6
- Title of specialty thesis: Comparison of Shear Bond Strength of Composite to Porcelain in Repair Porcelain using/not using bandings
- Second rank entrance exam of specialty dentistry in cosmetic and restorative field
- Teaching in Faculty of Dentistry of University of Medical Sciences of Kerman in 2004 and 2005
- First rank in Faculty of Dentistry University of Medical Sciences of Kerman as a selected professor
- Teaching Faculty of Dentistry of Shahid Beheshti University of Medical Sciences and concurrently in Islamic Azad University of Tehran as Tuitional
- Teaching in resident classes of Jahad of Shahid Beheshti University of Medical Sciences from 2002 to 2005 (400 hours) during 8 periods
- Common training contract with Jahad of Tehran University of Medical Sciences (12 months)
- First rank of 97.7% among the all professors, and 86.8% of consent of students in the resident classes of Jahad of Shahid Beheshti University of Medical Sciences and Tehran University of Medical Sciences
- Member of US Cosmetic and Restorative Academy
- Member of Cosmetic and Restorative Dentists Association
- Obtaining certificate from Dentsply Co. in Konstanz, Germany (2009)
- Member of Editorial Board of Young Dentists Message Magazine (from 2007)

- Scientific Advisor and Training Representative of Angelus Co., Brazil (from 2007)
- Scientific Advisor and Training Representative of FGM Co., Brazil (2007 and 2008)
- Scientific Advisor and Training Representative of Dentsply Co., Germany (from 2008)
- Scientific Advisor and Training Representative of GC Co., Germany (from 2010)
- Fellowship of Cosmetic Dentistry from University of Genoa, Italy (2013)
- Scientific consultant of Salamat Radio in public training as attending in the live training performances in IRIB including phone contact with audiences
- Attending in the Sib live program in TV5 of IRIB
- Writing essays for public training and enhancement of mouth and teeth health in the widely circulated newspapers such as Hamshahri and Salamat newspapers
- Second rank as the premium professor on Faculty of Dentistry in Cosmetic (Apr. 2012)
- Obtaining certificate from K-Line Co., Germany (2016)
- Scientific and Technical Consultant in GC Co., Germany (2016) for approving certificates of participant students

### **Scientific and research records**

- Assistant Professor of Cosmetic and Restorative Department of Faculty of Dentistry, Shahid Beheshti University (from 2005)
- Establishment of NGO Organization under title “Parseh Center for Enhancement of Dentistry Knowledge” to promote mouth and teeth health and occupying as Managing Director (from 2009)
- Member of Executive and Planning Committee of Restorative Specialists Congress in 2009
- Scientific Secretary of Restorative Plan (Apr. 2009) under no. 88/A/3451
- Member of Arbitration Committee of appraisal of submitted essays in General Dentists Congress (2009)
- Member of Arbitration Committee of appraisal of submitted essays in General Dentists Congress (2010)
- Assistant Professor of Cosmetic and Restorative Department of Faculty of Dentistry, Shahid Beheshti University (from 2010) as contractual
- Member of Arbitration Committee of appraisal of submitted essays in General Dentists Congress (2011)
- Training Officer for Monitoring Nano Research Projects in Biomaterial Lab, Amirkabir University of Technology, Sharif University of Technology, and Pharmaceutics Reference of Shahid Beheshti University (2011) upon letter no. 310/3714
- Advisor Professor of students in Faculty of Dentistry (2012 to 2015)
- Member of Varnish Fluoride Committee as a national project in order to decrease epidemic dental decay and participation in the related meeting in Ministry of Health (2012) upon letter no. 310/1124
- Member of Committee for Allocation of Scores for Short-term Professional Dentistry Plans of Ministry of Health (2012)
- Member of Research and Technology Committee of Relation with Industry Office of Shahid Beheshti University of Medical Sciences (2013) upon letter no. 400/1705
- Participation in the session for redaction of exam questions for restorative resident promotion (2012) upon letter no. 310/885
- Member of Committee for Organizing Short-term Dentistry Training Plans in Ministry of Health (2012)

- Participation in the session for redaction of exam questions for restorative resident promotion (May 2013) upon letter no. 310/766
- Member of Committee of Materials and Equipment of Faculty of Dentistry of Shahid Beheshti University of Medical Sciences (2012 and 2013)
- Member of Committee for redaction of exam questions for specialty promotion of Ministry of Health (2012 and 2013) and registration of 50 hours of cooperation with Specialty Dentistry Secretariat upon letter no. D/517/679
- Member of Committee for Allocation of Scores for Abroad Students of Shahid Beheshti University of Medical Sciences (2012 to 2015)
- Member of Committee for Allocation of Scores for Abroad Graduates of Shahid Beheshti University of Medical Sciences (2012 to 2015)
- Member of Scientific Executive Committee of 56<sup>th</sup> Congress of Iran Dentistry Association
- Settlement, startup, and management of short-term professional training courses in Shahid Beheshti University of Medical Sciences (Aug. 2012 to Jun. 2014) including implant, restoration, cosmetic, indo-rotary, orthopedics, orthodontics, and laser classes upon letter no. 310/2015 (25/09/2013)
- Member of Committee for Allocation of Scores for General Administration of Permanent Training of Ministry of Health (2013)
- Director of Panel of 54<sup>th</sup> Congress of Iran Dentistry Association (Apr. 2014)
- Three times of participation in the meetings of Ministry of Health with presence of Minister with approach of activation of NGO public associations (2014 and 2015)
- Scientific secretary in 24 permanent plans of Shahid Beheshti University of Medical Sciences including students and abroad graduates, Oil Company, and educational institutions
- Member of Executive Committee in 56<sup>th</sup> Iran Dentists Association Congress and Regional Congress of FDI (EXIDA 56) (May 2016)
- Member of Executive Committee in 56<sup>th</sup> Iran Dentists Association Congress and Regional Congress of FDI (EXIDA 56) (May 2017)
- Concessionaire and Respondent Director of Parseh Dentistry Magazine
- Setting up the site for “Curriculum Consultation and Planning for Medical Students” with URL of [www.doctortabari.com](http://www.doctortabari.com)
- Participation in The 50<sup>th</sup> Congress of Islamic Azad University (Sep. 2015)
- Secretary of Scientific Restorative Consultation in The 10<sup>th</sup> Annual Scientific Congress of Iran General Dentists (Aug. 2015)
- Member of Leadership Committee of Restorative Dentistry for Redaction of a National Book for Restorative Dentistry, Secretariat of Specialty Dentistry Council, Ministry of Health, Deputy of Education
- Scientific Secretary of Restorative Courses of Iran General Dentists Association (Jun. 14, 15, 2016)
- Director of Panel of 56<sup>th</sup> Congress of Iran Dentistry Association (May 17, 2016)
- Member of Committee for Allocation of Scores for General Administration of Permanent Training of Ministry of Health (Feb. 2017)

### **Scientific-research activities**

- Scientific Secretary of Center of Medical Studies and Training Development, Mashhad University of Medical Sciences (Nov. 2008)

- Participation in the training seminars and workshops of Fryburg University in 2009 and obtaining the related certificate
- Visiting Degudent and Denysply factories in Germany upon the official invitation (Sep. 2009)
- Participation in the Middle East Seminar and Training Workshop of GC Co. (Apr. 2010) in Lebanon and obtaining the related certificate
- Invention of a new material titled “Chemical etching of dentistry alloys including gold and non-gold ones (base metal)” and registering it in General Administration of Companies Registry and Industrial Ownership (Mar. 2010)
- Invention of Nano met etch solution at Sep. 2011, registered under no. 72044 and applying it as a specialty thesis and research plan
- Submission of the above plant to Industrial Commercialization Organization
- Invited in The Third National Fajr Festival of Innovation and Glory in Arbitration of Inventors section
- Invention and registration of decay detection solution capable of increasing ivory banding stability, registered under no. 72043
- Invention of MTA new product by three nano particles with releasing rate less than iron, titled Nano Hybrid MTA, and trying to nationalize this project
- Execution of common project of Nano Hybrid MTA with University of Science and Industry in order to analyze the material
- Increment of absorption of fluoride by registering the invention titled “Varnish of Sodium Fluoride with high stability”, registered under no. 79306
- Removal of dental sensitivity by registering the invention titled “Hydroxy Apatite Nano Particles in Combination with Sodium Nitrate Chlorohexydine to decrease dental sensitivities”, registered under no. 79308
- Preparation of surfaces of zirconium ceramics by registering the invention titled “Etching Zirconium by Plasma Technique”, registered under no. 79304
- Execution of common project of Etching Zirconium by Plasma Technique with Faculty of Physics of Shahid Beheshti University
- Two periods of secretary of redacted trainings held by Iran General Dentists Association
- Consultation about research projects for Research Deputy of Faculty of Dentistry of Shahid Beheshti University (30 hours)
- Monitoring Nano Research Projects in Biomaterial Lab, Amirkabir University of Technology, Sharif University of Technology, and Pharmaceutics Reference of Shahid Beheshti University
- Member of Absorption and Audit Board of Faculty of Dentistry of Shahid Beheshti University (2011) upon letter no. 310/3540
- Cooperation with Secretariat of Board of Absorption and Responding to Inquiries (2012 to 2015)
- Scientific Secretary of Permanent Training Plans of Oil Company (2014 and 2015)
- Selected as the premium professor in 2013 in the 9<sup>th</sup> Shahid Motahar Training Festival
- Appointed as Advising Professor in Faculty of Dentistry of Shahid Beheshti University (2012 to 2015)
- Certificate for participation in The Annual Meeting of Consultant Professors for “Enhancement of Relation between Professor and Student Plan” (2012) at Faculty of Dentistry of Shahid Beheshti University
- Scientific Secretary in The 20<sup>th</sup> Congress of Iran Restorative Dentistry Specialists Association (Oct. 2020), Olympic Hotel

## Essays and lectures

- Offering an essay and lecture in Iran Dentistry Association Congress (Jan.-Feb. 2004) titled “Types of basement materials, importance and application of pulp capping”
- Offering an essay and lecture in The 45<sup>th</sup> International Congress of Iran Dentistry Association (Jun. 2005)
- Offering an essay and lecture in The Specialty Restorative Congress (Oct. 2005)
- Offering an essay and lecture in The 4<sup>th</sup> Scientific Seminar for Modern Dentistry (IRDEC) (Dec. 2005)
- Offering an essay and lecture in The Iran General Dentists Congress (Feb. 2005)
- Holding a training workshop in The 2<sup>nd</sup> Iran General Dentists Congress (Apr. 2006)
- Offering an essay and lecture in The Specialty Restorative Congress (2006) titled “Application of MTA in Restorative Dentistry”
- Offering an essay and lecture in The 46<sup>th</sup> International Congress of Iran Dentistry Association (2006)
- Lecture in Dubai Faculty of Dentistry (Feb. 2006) and obtaining the related certificate titled “Principles of Beatification Dentistry, Cosmetic Composite Vonirs, and Laminated Vonirs”
- Offering an essay and lecture in The Endo Specialty Congress (May 2007) titled “Fiber Post and Applications”
- Offering an essay and lecture in The Dentistry Prosthesis Specialty Congress (2007) titled “Band with Composite and Porcelain”
- Offering an essay and lecture in The 47<sup>th</sup> International Congress of Iran Dentistry Association (2007)
- Offering an essay and lecture in The Specialty Restorative Congress (2007) titled “Difference of Bleaching Vital and non-Vital Teeth”
- Offering an essay and lecture in The Iran General Dentists Congress (Nov. 2007) titled “Modern Restorative Methods: Bleaching Live and Root-canaled Teeth”
- Offering an essay and lecture in The 48<sup>th</sup> International Congress of Iran Dentistry Association (2008)
- Offering an essay and lecture in The Specialty Restorative Congress (2008) titled “Silane, Chemical Composition, and Clinical Application”
- Offering an essay and lecture in The 49<sup>th</sup> International Congress of Iran Dentistry Association (2009)
- Offering an essay and lecture in The Specialty Restorative Congress (2009) titled “Importance of Finishing & Polishing of Anterior Composites and The Effect of Composites on Quality of Finishing and Polishing”
- Offering an essay and lecture in The Iran General Dentists Congress (Nov. 2009) titled “The Reasons for Failure of Posterior Restorative Composites”
- Offering an essay and lecture in The 50<sup>th</sup> International Congress of Iran Dentistry Association (2010) titled “The Effect of MMPs Enzymes on Durability of Ivory Bandings”
- Offering an essay and lecture in The Specialty Restorative Congress (Oct. 2010) titled “Nano-fill Composites: Advantages and Disadvantages”
- Offering an essay and lecture in The Specialty Restorative Congress (Oct. 2010) titled “Zirconium: Structure, Physical and Mechanical Properties”
- Offering an essay and lecture in The 6<sup>th</sup> Seminar of Dentistry for Armed Forces (Sep. 2011) titled “Dental Ceramics”

- Offering an essay and lecture in The Specialty Prosthodontics Congress (Dec. 2011) titled “Zirconium: Structure, Physical and Mechanical Properties”
- Obtaining a certificate from Voco Co. in Germany for participation in Anterior Composites Course
- Obtaining a certificate from Angelus Co., Brazil (2006)
- Membership and obtaining certificate from US Dentistry Association (from 2007)
- Participation in The International Cosmetic Dentistry, Dubai (2007)
- Obtaining a certificate from Den Mat Co., USA, for participation in Lumineers Course, Dubai (Feb. 2012)
- Participation in congress titled “The American Association for Cosmetic Dentistry (AACD)” (2009)
- Participation in the seminar titled “Modern Dentistry in the Third Millennium” by GC Co. (2011)
- Participation in the seminar of Angelus Co., Brazil (2011)
- Teaching four periods of Lumineers, Iran, represented by Den Mat Co., USA
- Attendance in IRIB, Sedaye Ashena Global Network, and recording a program for abroad compatriots
- Lecture in The 52<sup>th</sup> International Congress of Iran Dentistry Association (2012)
- Offering an essay and lecture in The Specialty Prosthodontics Congress (Dec. 2012)
- Offering an essay and lecture in The 7<sup>th</sup> Iran General Dentists Congress (Jan. 2012)
- Offering an essay and lecture in The 13<sup>th</sup> Specialty Restorative Congress (Oct. 2013)
- Holding a specialty workshop in The 13<sup>th</sup> Specialty Restorative Congress (Oct. 2013)
- Lecture in The 8<sup>th</sup> Iran General Dentists Congress (Dec. 2013)
- Lecture in The 53<sup>th</sup> International Congress of Iran Dentistry Association (2013)
- Lecture in The 14<sup>th</sup> Specialty Restorative Congress (Oct. 2013)
- Lecture in The 14<sup>th</sup> Iran Specialty Prosthodontics Congress (Nov. 2014)
- Lecture in The 8<sup>th</sup> Iran General Dentists Congress (Dec. 2014)
- Lecture in The 55<sup>th</sup> International Congress of Iran Dentistry Association (Apr. 2015)
- Lecture in The 14<sup>th</sup> Congress of Iran Children Dentistry Association (Jul. 2015)
- Lecture in The 10<sup>th</sup> Iran General Dentists Congress (Aug. 2015)
- Lecture in The 15<sup>th</sup> Periodontology Association Congress (Sep. 2015)
- Lecture in The 7<sup>th</sup> Congress of Armed Forces
- Lecture in The 16<sup>th</sup> Iran Restorative Dentistry Specialists Association Congress (Oct. 2016)
- Lecture in The 7<sup>th</sup> Congress of Armed Forces (Feb. 7-9, 2018)
- Lecture in The 58<sup>th</sup> Iran Dentists Association Congress and Regional Congress of FDI (EXIDA 58) (Apr. 17-20, 2018)
- Offering an essay and lecture in The 18<sup>th</sup> Iran Endodontic Specialists Association Congress (Jul. 2018)
- Offering an essay and lecture in The 18<sup>th</sup> Iran Restorative Dentistry Specialists Association Congress (Nov. 2018)
- Lecture in The 1<sup>st</sup> Symposium of Smile Plan, Islamic Azad University (Dec. 2018)
- Lecture in The 59<sup>th</sup> Iran Dentists Association Congress and Regional Congress of FDI (EXIDA 59) (Apr. 22-26, 2019)
- Lecture in The 19<sup>th</sup> Iran Restorative Dentistry Specialists Association Congress (Jul. 2019), Mashhad, Iran

- Holding a training workshop in The Iran Periodontics Specialists Association Congress (Sep. 2019)
- Various lectures according to the redacted programs by Ministry of Health (at least 30 cases)
- Publishing 34 educational and research essays in Youth Dentists Message Magazine
- Teaching all restorative and dental materials courses in the frame of CDs for preparation as a dentist assistant
- Teaching 48 periods of restorative and dentistry materials books in preparation for residents in University of Tehran, Shahid Beheshti University, Parseh, Shiraz, Isfahan, Kerman,...
- Teaching 19 periods of restorative and cosmetic courses (100 hours per course) in Tehran, Shiraz, and Tabriz

### **Titles of essays**

- Publishing an essay in the Dentistry Magazine (English) of Faculty of Dentistry of Shahid Beheshti University titled:  
“Effect of Thermal and Mechanical Aging on Flexural Strength of Zirkozahn and Mamut Zirconia Ceramics”  
**Kasra Tabari**, Zahra Jaber Ansari, Manusha Amiri Siavashani, Solmaz Eskandarian, Shahid Beheshti University, Dental Journal, 2014, 32(2), 69-75.
- Review article  
Year: 2016; Volume: 10; Issue: 1; Page: 13-16  
“A brief review on the efficacy of different possible and nonpharmacological techniques in eliminating discomfort of local anesthesia injection during dental procedures”  
Amin Davoudi, Mansour Rismanchian, Ali Akhavan, Saeid Nosouhian, Farshad Bajoghli, Abbas Haghighat, Farahnaz Arbabzadeh, Poursamini, Atiyeh Feiz, Elham Shadmehr, **Kasra Tabari**, Sanaz Jahadi;
- Comparison of Shear Bond Strength of Composite to Porcelain in Repair Porcelain using/not using bandings
- “Comparison of Compressive Strength of Five Hydraulic Cements”  
Vagharedin Akhavan Zanjani, Seyedeh Mahsa Sheikh-al-Eslamian, **Kasra Tabari**, Journal of Dental School 2016; 34(3), 36-129  
Correspondence Author: Tabari K.
- “Shear bond strength of a resin cement to different alloys subjected to various surface treatment”  
Fariba Ezoji, **Kasra Tabari**, Zahra Jaber Ansari, Hassan Torabzadeh, Mohammad Javad Kharazifard;  
Journal of Dentistry, Tehran University of Medical Sciences, Tehran (2016), Vol. 13, No. 1
- “In vitro cytotoxicity evaluation of selected nanoparticles on human dental pulp stem cells”  
**Kasra Tabari**, Sepanta Hosseinpour; Iranian Endodontic Journal, Vol. 12, No. 1, 2017.

### **Theses and arbitration**

- Consultation for research projects to the Deputy of Research of Faculty of Dentistry of Shahid Beheshti University; 30 hours (Sep. 2012)
- Arbitration of thesis titled “Study of relation between salivary biochemical composition, body index, and digestion with tooth-6 decay in children 6-12 years old” (Dec. 2013)

- Arbitration and Advising Professor for thesis titled “Effect of etching plasma on zirconia surface aggression and opposite band”, Faculty of Physics of Shahid Beheshti University, Laser and Plasma Research Center (Dec. 2012)
- Arbitration and Advising Professor for thesis titled “Comparison of pressure strength and stiffening time of three experimental types of nano-hybrids with one commercial type of MTA”, (May 2014)
- Advising Professor for thesis titled “Effect of thermal and mechanical aging on flexural strength of Zirkozahn and Mamut Zirconia”, (May 2014); Student: Manusha Amiri
- Advising Professor for thesis titled “Study of nano met etching on strength of bond of resin cement to base metal alloy Vera bond II and alloy High noble-Bego star”, Student: Dr. Fariba Ezoji
- Advising Professor for thesis titled “Comparison of the effect of CEM cement, MTA Angelus and Nano particle MTA on human gingival fibroblast viability and morphology: An in vitro study by MTT Assay and SEM”
- Advising Professor for thesis titled “Building the experimental sample of decay detection solution based on propylene glycol and water and study and comparison of its properties with the commercial sample Snoop by histology”; Student: Anahita Shahi, Thesis no. 3209
- Advising Professor for thesis titled “Building the experimental sample of decay detection solution based on propylene glycol and water and study and comparison of its properties with the commercial sample Snoop by histology”; Student: Parastoo Iranparvar, Thesis no. 3208
- Advising Professor for thesis titled “Effect of increment of nano particles on mechanical properties and releasing ion of five hydraulic cements”
- Advising Professor for thesis titled “Comparison of pressure strength and stiffening time of four experimental nano hybrid mineral trioxide aggregate with one commercial type”; Student: Leila Safiari

### **Arbitration of essays**

- Arbitration of essay titled “Study of the effect of chemical preparation of post level on the strength of fiber post quartz bond to composite core resin”, Journal of Faculty of Dentistry of University of Isfahan, Dr. Maryam Khorvashi (Sep. 2013)
- Arbitration of essay titled “Comparison of effects of several colourous materials in strength of enamel without support”, Journal of Faculty of Dentistry of University of Isfahan, Dr. Maryam Khorvashi (Feb. 2012)
- Arbitration of essay titled “Study of increment of alkali salts on stiffening time of Mineral Trioxide Aggregate Cement”, Endodontics Research Center, (Feb. 2016)
- Arbitration of essays in The International Congress for Iran Dentists Society (EXCIDA 2020), (Nov. 14, 2019)

### **Training workshops**

- Teaching of trainers (T.O.T) for abandon of cigar in the dentistry medical offices of Faculty of Dentistry of Shahid Beheshti University, (Jun. 2015)
- Life skills (angry, stress, depression control), (Feb. 2014)
- Participation in the seminars and workshops of The 48<sup>th</sup> Seminar for Negotiation Principles and Techniques, and obtaining the related certificate from QAL, England

## **Cultural activities**

- Obtaining the 2<sup>nd</sup> rank of Holy Quran Concepts, educational year 1990-91
- Obtaining the 4<sup>th</sup> rank in the student matches in Nahjolbalagheh field 1995 at the level of medical sciences universities
- Obtaining the first rank in the student matches in Nahjolbalagheh field 1997 at the Tehran Province level
- Obtaining the 2<sup>nd</sup> rank in the student matches in Nahjolbalagheh field 1998 at the country level
- Authorship of Abstract of Arabic Grammar (syntax and semantics), Peyke Iran Publications, 1996
- Authorship of Abstract of Arabic Grammar (syntax and semantics), Shabani Publications, 1999
- Teacher in Khajeh Nasir Toosi High School
- Director of New Year camps in Khajeh Nasir Toosi High School (1996 to 2003)
- Director of Saheb-zaman Library (Nezam Mafi Mosque), for 8 years (from 1994 to 2002)
- Executive Director of Nezam Mafi Mosque Library
- Scientific and Cultural Consultant of Elite Department of Nezam Mafi Mosque, for 8 years (from 1994 to 2002)
- Cultural, artistic, and social consultant of Saraye Parvaz, Municipality District 2, for two years (from 2012 to 2014)
- Consultant of Executive-Cultural Director of Saraye Parvaz, Municipality District 2, for two years (from 2012 to 2014)
- Absorption and training scientific-cultural elites in Saraye Parvaz, Municipality District 2, for two years (from 2012 to 2014)
- Obtaining business license for Media Office under no. 22513
- Obtaining book publication license no. 13045
- Obtaining business license from Publishers and Booksellers Syndicate, Guild ID: 453134311
- Obtaining establishment license for digital cultural center under no. 30/3442-47

## **Authored books**

- Preserving pulp life by MTA together with technical points and training CD
- A review on restorative dentistry and dental materials
- Familiarity with specialty tests in dentistry
- Modern ideas in restorative dentistry, Noor Danesh Publications, 2012
- A comprehensive smart learning book for restorative dentistry, Rouyanpajouh Publications, 2014
- Member of Authors Group of Restorative Dentistry Reference Book, Ministry of Health, Deputy of Education, Chapters 3 & 11, 2015
- A comprehensive review on English for the students of dentistry, Rouyanpajouh Publications, 2014
- A comprehensive smart learning book for restorative dentistry, 2016
- A comprehensive learning book for fundamentals of dentistry, Pishgaman Parseh Publications, 2016
- A comprehensive learning book for fundamentals of dentistry, Pishgaman Parseh Publications, 2018
- English Course for preparation for resident test
- Principles and fundamentals of restorative and cosmetic dentistry

- Educational consultation and planning for medical sciences students (first edition)
- Educational consultation and planning for medical sciences students (second edition)

### **Translated books**

- Monitoring translation of reference book titled “Art & science of operative dentistry”, 2012
- Monitoring translation of reference book titled “Art & science of operative dentistry”, 2019

### **Prepared training CDs and software**

- Banding and clinical applications
- Posterior composites and clinical applications
- Anterior composites and clinical applications
- Fiber posts and applications
- MTA and pulp life preservation
- Laminated Porcelain Voinir
- Theoretical and practical training of Lumineers
- Inleh and Anleh
- Finishing & Polishing
- Conservative bridges (fiber bridges)
- Principles and fundamentals of tooth bleaching
- Turning and molding full-ceramic restorations
- Complete course of restorative dentistry and materials
- Complete course of fixed dental prosthesis
